

Seattle – the soul of Pacific Northwest

13 hours

This city is one of the most extraordinary metropolises in North America. Set against a striking Westcoast landscape, here beats a spirit of innovation and motion which gave rise to such giants as Boeing and Microsoft, Amazon.com and Starbucks. Alongside this booming industrial activity, world famous master-glassblowers and other artisans work. In this extraordinary place we will delve into the contrast between modern and historic by delving into the Westcoast Gold Rush, which passed through Seattle and into the Klondike.

We offer a variety of transportation modes, suited to any visitor's needs, from individual to large group excursions.

13 hours

Our journey will begin with the scenic ferry ride across the Strait of Georgia. We will navigate between the lush Southern Gulf Islands, then visit the breathtaking and quaint Butchart Gardens just outside the Victoria. Once in Victoria, will spend several hours exploring the historic capital of our province, enjoying the unmistakable atmosphere of "Canada's most British city".

Historic Fort Langley and Winery Tour

6 hours

On this laid-back tour, we take the time to visit historic Fort Langley – the first permanent European settlement in British Columbia. It is a pleasure to spend time in this tiny town which proudly maintains its roots, and round out the trip with visits to excellent local wineries. For many people, the existence of vineyards and wineries within the Greater Vancouver area is surprising; but they begin to understand once they experience the fertile and beautiful Fraser River valley and its thriving agriculture.

Whistler: Sea to Sky

10 hours

The fun begins before we even get to Whistler, on the Sea to Sky Highway, North America's most beautiful highway, snaking between an ocean fjord and the Coast Mountain range. Along the way we stop to appreciate two dramatic waterfalls. In Whistler, you have an opportunity to ride a panoramic peak-to-peak gondola and observe British Columbia's endless mountain vistas. And in Whistler town itself, you can spend hours wandering the pedestrian-only streets of the ski and outdoor Mecca, exploring cozy restaurants, trendy bars and endless boutiques and stores.
